### **Dear Friends,**

Our new President and Congress face serious national challenges at this time, which require all Americans to unite for the common good of all.

A bill in Congress called the “Freedom of Choice Act,” or FOCA, represents the most serious legislative threat to unborn children ever. FOCA would create a “fundamental right” to abortion that government could not limit but would be required to fund and support. It would overturn a broad range of pro-life policies currently allowed under the Supreme Court’s *Roe v. Wade* abortion decision: laws protecting parental involvement in an underage daughter’s abortion decision, laws upholding conscience rights, limits on abortion funding, bans on partial-birth abortion, and so on.

Today we have an opportunity to sign and send postcards to our Representative and our Senators. The message on the cards urges our federal elected officials to oppose FOCA and to retain existing laws against government funding and promotion of abortion. Please complete the cards and drop them in the collection baskets. Thank you for making your voice heard.

**God Bless You,  
Father Clarence**

**Family Perspective from the Office of Family Life Education (A Hope Appeal Agency):**

In today's gospel, Jesus was "transfigured." Change is the only constant in family life. We constantly change clothes, jobs, our minds, diapers and plans! Beneath all the changes, we are still the same person. It is our commitment to each other that binds a family together throughout the inevitable changes of life.
