Dear Friends,

The Fourth of July celebrates our declaration of independence from England. There is an interesting parallel in our country's history and that of the history of Salvation. Just consider how God took a group of nobodies and formed them into a nation. They were invited to live in a covenant relationship with Him. He blessed them with marvelous signs and wonders. They were destined to be the people through whom the whole world would be blessed in the Messiah.

So too, our country was formed by people coming to this land seeking freedom from all forms of oppression. They were harassed by England until they claimed their sovereignty and declared independence. We too have been a blessing to many people. Let this holiday remind us of our roots that by living by the vision of our founding fathers we might be a blessing that endures for years to come. Our call is to maintain fidelity to our covenant "under God".

We welcome into our faith community Sarah Marie Langton and Colleen Autumn Langton who will receive the Sacrament of Baptism at the 10:00 am Mass this weekend. Sarah and Colleen's parents are Chad and Nakeesta Langton.

Thank you to all who have already responded to the Hope Appeal. Extra pledge envelopes are available in the vestibule for anyone needing one.

**God Bless You,
Father Clarence.**

Family Perspective from the Office of Family Life Education (A Hope Appeal Agency): Today’s gospel is so familiar, it hurts! The home town folks couldn’t accept the presence of God in Jesus. After all, they had seen Him grow up. We can easily make the same mistake, if we don’t see God present in the ordinary routines of family life. “The Lord be with you” is a statement of fact. Believe it. Live it.
